

Haunted House

By Jack Prelutsky

*There's a house upon the hilltop
We will not go inside
For that is where the witches live,
Where ghosts and goblins hide.*

*Tonight they have their party,
All the lights are burning bright,
But oh we will not go inside
The haunted house tonight.*

*The demons there are whirling
And the spirits swirl about.
They sing their songs to Halloween.
"Come join the fun," they shout.*

*But we do not want to go there
So we run with all our might
And oh we will not go inside
The haunted house tonight.*
